## METRO PHILADELPHIA'S TRENDIEST SHOP AT BOYDS AND (YOUR NAME HERE!)

BOYDS, the celebrated luxury clothing retailer in Philadelphia, is now preparing the Fall 2008 issue of BOYDS magazine. With contributions from leading figures in the world of fashion and design, the new issue will again meet the highest standards for luxury lifestyle magazines. Here's why it represents an exceptional opportunity for local marketers of luxury brands.

### Reach proven customers

The Boyds customer is worldly, well-to-do, curious, socially connected and aspires to the best of everything. Core customers range in age from 26 to 55. The male customer is likely to work in the world of finance, while his female counterpart is typically a stay-at-home mom, a tireless supporter of local charities, and a "professional" shopper. The customer may live on Rittenhouse Square, the Main Line, a charming estate in Bucks County or in the case of various athletic icons who shop at Boyds, a secret enclave that's just a short Bentley-ride away. The magazine has more than 145,000 readers.

### Benefit from supportive content

The core content is fashion, with treatments ranging from inventive photo shoots to educational pieces that extol the many ways to express personal style through clothing, grooming, and accessories.

The magazine's fashion core is complemented by features on other expressions of personal

style, from luxury automobiles and yachts to interior design to jewelry, timepieces, writing instruments, wine and spirits—all of which provides a supportive environment for showcasing your brand through advertising.

Leading figures from the world of fashion and design contribute to the pages of BOYDS. Local content, including personalities and events, adds to the value and immediacy of the magazine for its engaged readers. With its emphasis on shopping, style and always looking great, BOYDS is ultimately about driving readers to purchase more—and more frequently—at Boyds and other upscale retailers in and around the Philadelphia area.

### Ensure a perfect appearance

In keeping with the subject matter, BOYDS magazine is visually stunning. Heavy-weight premium paper—80 lb. gloss coat—is used for the interior pages, providing a luxurious hand and superb opacity. The magazine is curated with careful attention to the placement of advertisements and their reproduction, ensuring the best possible reflection of your brand.
