NEW YORK SPACES encourages submissions of previously unpublished New York, New Jersey or Connecticut design projects.

- Submit scouting shots (color prints, copies or low-res .jpg files on CD) for consideration. These images are used solely for the purpose of reviewing and selecting which projects we will publish. We'll be in touch to let you know if your project has been selected.
- Please include a brief description of the project, your contact information, and let us know if high quality photography is available. We'll also need to know if the homeowners are available for a brief interview.
- Upon acceptance, please submit high quality photography. The following formats are accepted:
 - Transparencies, any size (2 1/4-inch, 4x5, etc.) or 35mm slides
 - High-resolution digital photos on CD (at the highest resolution possible and the largest setting your camera will allow)
- Please provide caption information and photo credits.
